ABOUT US

Who we are and what we do

3rd Gen Rx helps self-funded employers reduce pharmacy spend through a combination of programs designed around real savings, not discounts.

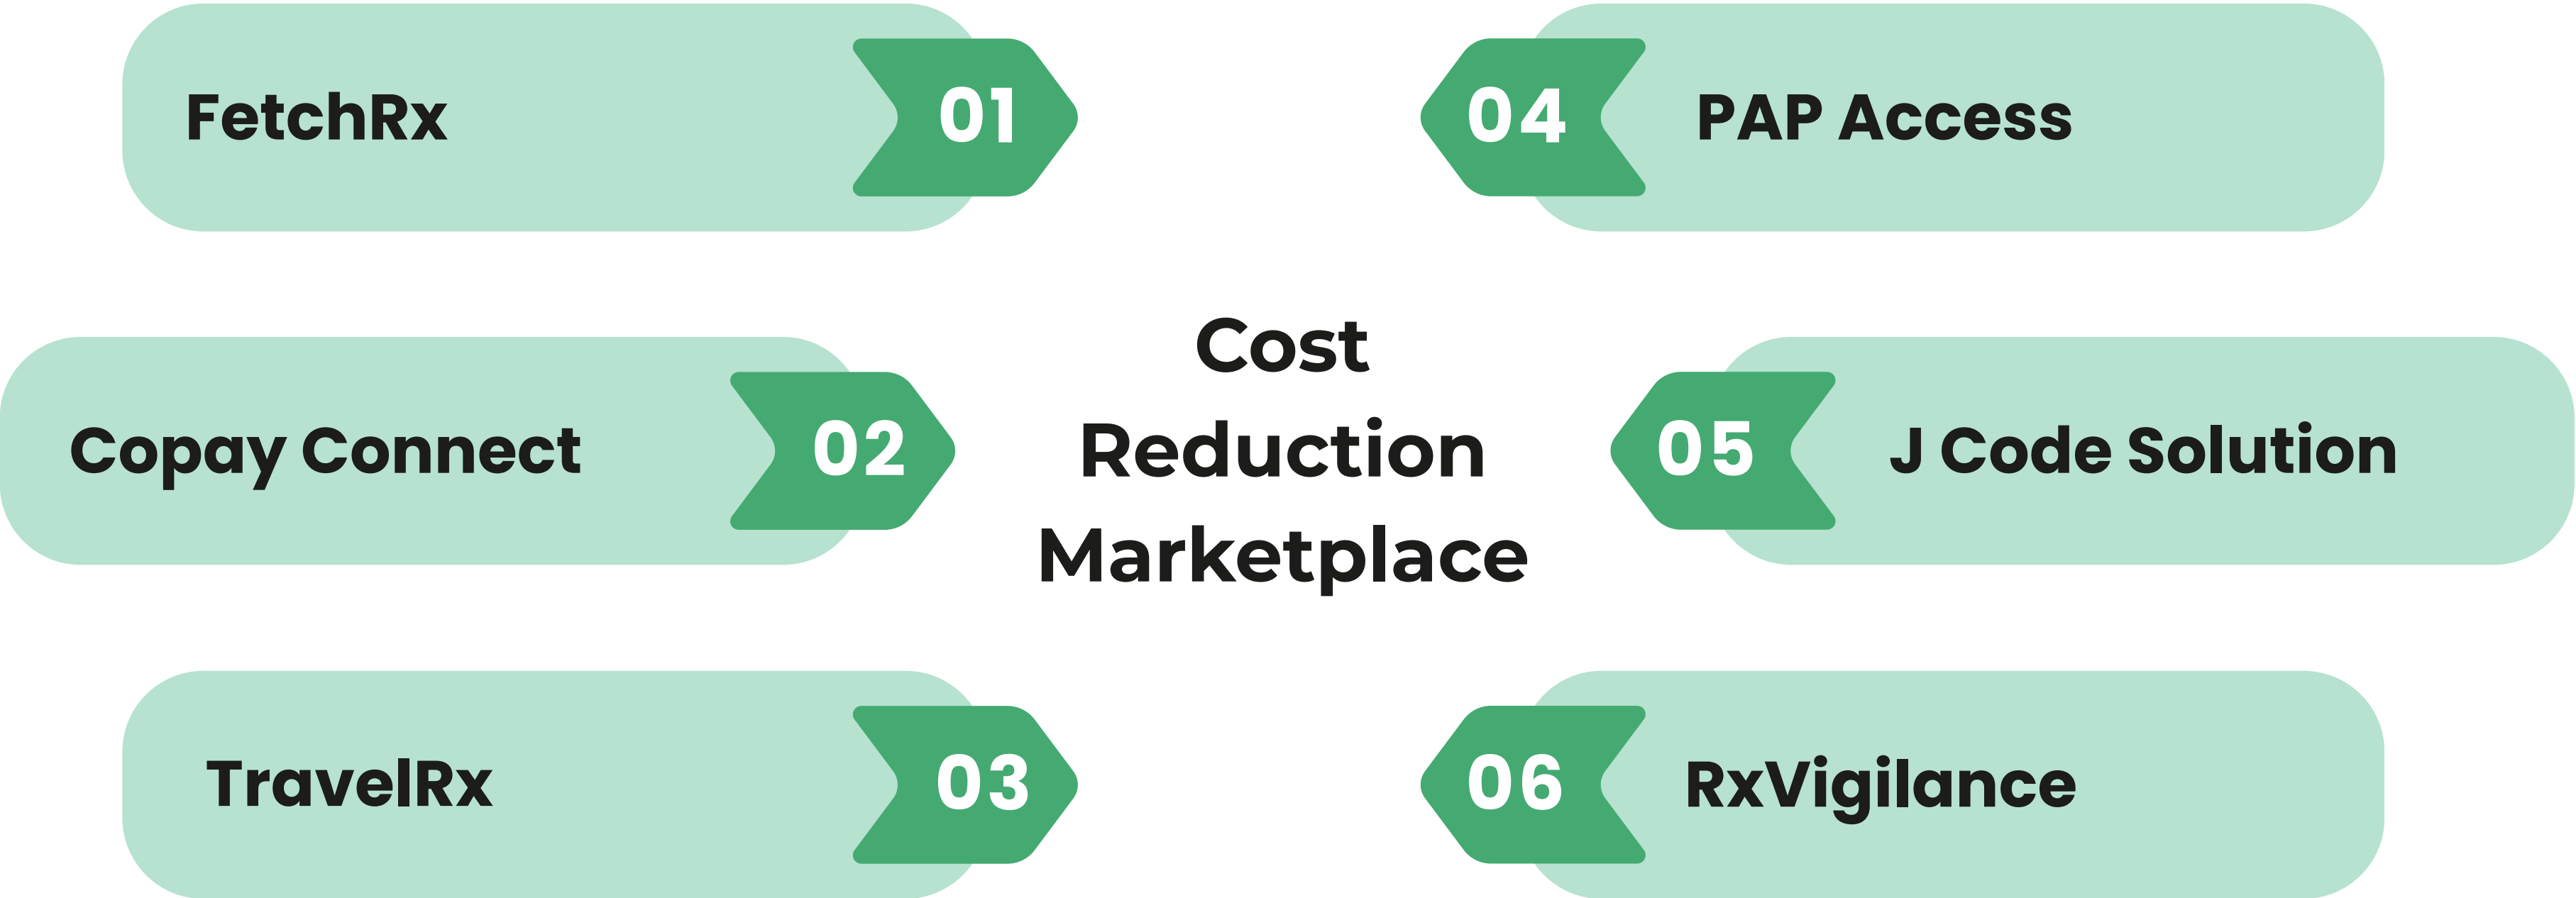

Who is our target

- Self-funded employers
- Small to mid-size groups (1-5000 members)

How we support

- Daily review of all claims to capture every savings opportunity
- All complexities are handled internally to prevent disruption to members
- Top notch US based support team with no phone trees
- Easy access to us via phone, text, fax, email, and live chat
- Rebates back to groups
- Strategic plan offering from Cost Reduction Marketplace

Cost Reduction Marketplace
